# ABOUT US

Prop. Deepak Kumar Jain

Our company **Jain Confectionery** was established in the year 1999 in **MEERUT CITY** with brand name **JONEY**. We are one of the trusted Manufacturers and Suppliers of a wide range of Sweets and Confectionery Items.

Our plant was set up in the year 1999 and has since then been making confectionery products for the market.

We had initially begun with an installed capacity of 400 tons per Annum, which has now increased to

800 tons per annum, making our organization is one of the largest confectionery manufacturing units in **MEERUT CITY**.

In order to encourage a shift towards newer developments and innovative applications, we launched our own range of Toffees, Candies, and Eclairs under the brand name **JONEY**.

The toffees offered by us boast of multiple variants and mouth-watering yummy taste, which is most likely loved by children and the elders.

Under the hands-on leadership of **LATE SHRI SHIKHAR CHAND JAIN**, our mentor, we have carved a niche for ourselves in the market by offering products that boast of unbeatable quality.

We are reckoned as a highly trustworthy organization owing to our quality-oriented approach. Our focus on ethics has helped us earn the valuable trust of the clients.
